by utilizing the contributions of a variety of scholars theologians historians and biblical scholars this book makes the complex and sometimes disparate anabaptist movement more easily accessible it does this by outlining anabaptism's early history during the reformation of the sixteenth century its varied and distinctive theological convictions and its ongoing challenges to and influence on contemporary christianity t t clark handbook of anabaptism comprises four sections 1 origins 2 doctrine 3 influences on anabaptism and 4 contemporary anabaptism and relationship to others the volume concludes with a chapter on how contemporary anabaptists interact with the wider church in all its variety while some of the authorities within the volume will disagree even with one another regarding anabaptist origins emphases on doctrine and influence in the contemporary world such differences represent the diversity that constitutes the history of this movement

this book is an experiential analysis of over twenty modern religious spiritual groups the book is divided into two generic segments inclusive of a tri perspective experiential analysis using a variety of cult danger rating scales and a more personal experiential description of the author's involvement in these groups written in stream of consciousness essay form the groups explored include controversial religious organizations such as scientology and the unification church as well as lesser known religious groups such as conversations with god and avatar and also new age retreat centers such as omega institute for holistic studies and kripalu center for yoga and health the author describes both the dangers and benefits of various groups and based upon his own experiences is able to rate these groups on a cult danger vs spiritual benefits scale on a gradient from high cult danger to favorable spiritual group

you are a spiritual being having a human experience do you have a clear sense of that reality do you believe that you are a spiritual being for thirty years i have been a pastor within a traditional church one that is both progressive in its thinking and firmly rooted in love and grace news flash those within traditional churches and those outside church of any kind are often confused uncertain and detached from what i call relevant faith do you describe yourself as a person of faith if the answer is yes or if the answer is no life in the heart of god will take you on a journey that will clarify what you do believe and what you do not believe most importantly you will gain insight and affirmation related to your true divine identity growing up in a churchgoing family or simply attending church does not guarantee that your faith will be relevant in your daily life for faith to be relevant it must make sense when faith is relevant in your daily life who you are whose you are and the purpose of your life becomes clear remembering who you are who you truly are is of great importance alone the physical world that is finite obscures your ability to see the infinite and you easily fall victim to your fears when you are able to understand your life on this earth to be a progressive journey from divine light to divine light you will enter your personal spiritual dawn and awaken to life in and from the heart of god home
