the understanding of god s name yhwh is so controversial that it is eventually the controversy of controversies or the ultimate controversy indeed why most of competent hebrew scholars propagate patently false explanations about god s name why do the jews refuse to read god s name as it is written and read adonay my lord a plural of majesty instead of it why god s name is usually punctuated e â shewa qamats by the masoretes what makes its reading impossible because the 4 consonants of the name yhwh must have at least 3 vowels long or short to be read like the words adonây and elohîm god a plural of majesty which have 4 consonants and 3 vowels at last why the obvious reading yehowah according to theophoric names which all begin by yehô without exception is so despised and why the simple biblical meaning he will be from exodus 3 14 is rejected
