the chinese gazette as a publicly available government publication was distributed in a variety of formats since the twelfth century little is known however about its form and content before 1800 by looking at china from the periphery this study shows how european sources offer a unique way of expanding the knowledge about the gazette of the seventeenth and eighteenth centuries its interconnected history illustrates how the chinese gazette as translated by european missionaries became a major source for reflections on state and society by

enlightenment thinkers it thus joined a global public much earlier than so far assumed

in deadline 200 years of violence against journalists in the united states elizabeth atwood offers the first comprehensive look at the history of fatal attacks against journalists in the united states between 1829 and the present atwood describes the political technological and economic context of these assaults and includes brief biographies of the victims and accounts of what happened both to them and to their assailants after the attacks to help us understand these attacks atwood presents a framework for categorizing them built on john nerone s studies on assaults on american media workers atwood categorizes attacks against journalists as attacks against individuals ideas and media institutions and undertaken to suppress reporting on certain topics and in the context of wars and other international or conflicts crucially deadline utilizes this framework to offer possible solutions to the issue of violence against journalists atwood was inspired to explore the pressing issue of violence against american journalists after the tragic death of one of her colleagues at the baltimore sun rob hiaasen in the capital gazette shooting in 2018 throughout she demonstrates that distrust of the media and violence against the press in the united states are hardly new developments her work examines how intimidation violence and censorship have in fact been used against the american press since both its and the nation s founding

this book reveals what is happening in small communities across the united states as their newspapers struggle to survive it is a celebration not just of journalism but of the inspirational people who do it and the news and events of small towns importantly it asks the question who will be the community watchdog of the future this book memorializes the american newspaper through the story of the post star of glens falls ny the author a devoted veteran of the post star compiles a series of vignettes that depict the newspaper s coverage over the years they provide a glimpse behind the newsroom curtain through the stories of the investigative journalism done in small towns

what do archaeological excavations in annapolis maryland reveal about daily life in the city s history considering artifacts such as ceramics spirit bundles printer s type and landscapes this engaging generously illustrated and original study illuminates the lives of the city s residents walking seeing reading talking eating and living together in freedom and in oppression for more than three hundred years interpreting the results of one of the most innovative projects in american archaeology the archaeology of liberty in an american capital speaks powerfully to the struggle for liberty among african americans and the poor

part of a series filled with gratifying detail about the ancestry of the first us president this volume contains the tenth generation

descendants robert k krick author of the smoothbore volley that doomed the confederacy stonewall jackson at cedar mountain and lee s colonels this is the sixth volume of dr justin glenn s comprehensive history that traces the presidential line of the washingtons the vast family originated by the immigrant john washington who settled in westmoreland co va in 1657 married anne pope and became the great grandfather of president george washington this volume contains the late nineteenth and twentieth century born descendants of john washington s daughter anne washington wright and as such transports the reader through many of the major historical events of those eras by providing the stories of the family members who lived through them although structured in a genealogical format for the sake of clarity this is no bare bones genealogy but a true family history with over 1 200 detailed biographical narratives these in turn strive to convey the greatness of the family that produced not only the father of his country but many others great and humble who struggled to build that country it is surprising that no comprehensive family history has been published justin m glenn s the washingtons a family history finally fills this void for the branch to which general and president george washington belonged identifying some 63 000 descendants john frederick dorman editor of the virginia genealogist 1957 2006 and author of adventurers of purse and person

the ethical journalist praise for the third edition of the ethical journalist a riveting examination of journalism ethics updated for the seismic change that is now an industry constant the ethical journalist is written to fortify journalism students but real life examples of everything from faked photographs to reporting on presidential lies make it valuable to all of us who care about the news ann marie lipinski curator of the nieman foundation at harvard university and former editor of the chicago tribune praise for the earlier editions the book is superb the definitive work on journalism ethics and practices it should be a basic text in every school of journalism gene roberts former executive editor of the philadelphia inquirer and former managing editor of the new york times at a time when the internet has turned journalism inside out and blown up long held traditions the need for media ethics is even more critical this is the book to help guide students and the rest of us through the revolution alicia c shepard former npr ombudsman the third edition of the ethical journalist is a comprehensive examination of current issues in the field of journalism ethics researched and written by four journalists with experience in both the newsroom and the classroom it gives students and professionals the tools they need to navigate the challenges of journalism today first explaining the importance of ethics in journalism and then putting a decision making strategy to work the text is supplemented by case studies and essays and two companion websites provide additional materials for educators and a forum for all users to discuss new topics in journalism ethics as they arise

journalists have often put themselves in danger to convey crucial information to the public many journalists have even died doing their

jobs investigating crimes or traveling to battle zones and sometimes documenting events in their own communities recently reporters have been assaulted mocked and silenced their reports dubbed fake news and them enemies of the people a free press is one of the country's most reliable foundations for ensuring a democracy for current and future generations with a focus on american journalism this book tackles issues affecting today's news through profiling journalists killed on the job whether from violent conspiracy terrorism or mass shootings

america's worst ideas and people are rising to the top thanks to a rancid culture that has turned every part of our lives into a fight between so called privilege and entitled brats claiming victim status the country is under siege and america's most ferocious enemy is already here our privileged victims on university campuses in the news media and in hollywood race gender and sexuality determine who should advance and who should be taken down a peg driven by social justice and governed by intersectionality out of control college students school administrators journalists and titans of the entertainment industry divide and rank us on an infinite scale of grievance the more of them the better and god have mercy on any individual deemed to benefit from privilege privileged victims zealously exposes the lies and myths behind the metoo movement that redefined sexual assault and rape to include simple regret ruining the lives and careers of countless men hoax hate crimes a key feature of the privileged victim class the debate over our jungle like immigration system dumbed down by a scheming national news media to ugly charges of racism and xenophobia hollywood which no longer aims to produce high quality entertainment but to virtue signal and promote social justice and so much more in gripping detail eddie scarry uncovers the perversion behind social justice and its identity first dogma that's replacing america's meritocracy tracing its origins in academia and shining a light on the havoc it has wrought over the course of three decades bewildered citizens mistakenly believe that it's a matter of political correctness gone too far or the ailing symptoms of a country that has grown too sensitive the truth is much worse it's a deliberate malignant reorganization of american life and the replacement of merit with mediocrity is the ultimate destination how did everyone in america get so unhappy all of a sudden in part because it pays eddie scarry lays out the scam in this infuriating and fascinating book it'll make you never want to complain again just for the sake of being countercultural tucker carlson host of tucker carlson tonight on fox news and author of ship of fools what i love about eddie is his courage he knows the outrage mob is constantly coming and he doesn't care some of us call that being a first amendment advocate count me as a fan and a reader megyn kelly

in the midst of a divisive culture public intellectuals speaking from an evangelical perspective have a critical role to play within the church and beyond representing the church higher education journalism and the nonprofit sector these world class scholars and

practitioners cast a vision for intellectuals who promote human flourishing

blending his experiences as a veteran reporter with analysis of the erosion of trust between the press and the government during the past 40 years in free the press renowned journalist brian j karem gives readers a unique perspective on the challenges facing journalism while asking the question how did we get here and perhaps more importantly how do we fix it since the vietnam war each and every president has overseen the withering of relations between the executive branch and the so called fourth estate politicians are not solely to blame however corporate media has us following the news of the day for clicks and views rather than pursuing long term stories of impact reporters have ceased to frame the narrative and failed to co opt social media contributions until it was too late placed alongside a firsthand view of karem s own experience as a reporter and manager in television print and the online media industry where he witnessed buyouts and the end of locally owned and operated newspapers a behind the scenes look at his work as a member of the white house press corps and his advocacy to protect the journalistic pillar of anonymity readers will come away with a deeper understanding of journalism and what happened to it at the national and local level karem concludes with a three step plan to save the free press as well as a comprehensive method to reporting for reporters to regain level footing and work toward repairing the damage done to one of the most important and sacred institutional relationships of our country

never truly a new world entirely detached from the home countries of its immigrants colonial america over the generations became a model of transatlantic culture colonial society was shaped by the conflict between colonists need to adapt to the american environment and their desire to perpetuate old world traditions or to imitate the charismatic model of the british establishment in the course of colonial history these contrasting impulses produced a host of distinctive cultures and identities in this impressive new collection prominent scholars of early american history explore this complex dynamic of accommodation and replication to demonstrate how early american societies developed from the intersection of american and atlantic influences the volume edited by robert olwell and alan tully offers fresh perspectives on colonial history and on early american attitudes toward slavery and ethnicity native americans and the environment as well as colonial social economic and political development it reveals the myriad ways in which american colonists were the inhabitants and subjects of a wider atlantic world cultures and identities in colonial british america one of a three volume series under the editorship of jack p greene aims to give students of atlantic history a state of the field survey by pursuing interesting lines of research and raising new questions the entire series anglo america in the transatlantic world engages the major organizing themes of the subject through a collection of high level debate inspiring essays inviting readers to think anew about the complex ways in which the atlantic

experience shaped both american societies and the atlantic world itself

what is the life of a palestinian worth to intellectuals in canadian universities and news media analyzing the israel effect documents and analyzes the discursive and organizational methods by which public criticism of israel s oppression of the palestinians is silenced in canada as experienced through ten episodes in the life of the author over a thirty year period from 1990 2020 in interaction with his university and local and national canadian news media as a sociological work the book is a critical autoethnography but it is also an atrocity tale a horror story of institutional self censorship amounting to the abrogation of intellectual responsibility by those specifically charged with upholding it in the end the book is a crossover between academic treatise and journalistic exposé a historical narrative written by an academic from the standpoint of a political participant observer rajan philips the israel effect itself is analyzed as a three tier propaganda industry hasbara is produced in israel tier 1 disseminated to israel lobby groups around the world tier 2 and independently re produced actively and passively by the intellectual institutions universities and news media tier 3 this book is about the non jewish non zionist institutions of tier 3 the onlookers to war crimes ethnic cleansing and arguably genocide as in gaza in october november 2023 this work stands as a compelling testament to the importance of preserving freedom of expression and the vital role intellectuals play in challenging injustice and promoting transparency it is ideal for scholars activists and anyone seeking to understand the complexities of political activism and the power dynamics behind public discourse

freedom the berber symbol adorns a monument outside the museum of slavery in the gambia it s also an emblem of hope that never again will such wrongheaded political mindsets cloud our judgment about rights and freedoms now enshrined in human rights charters yet those fervent words never again as author donald l lang points out are also the title and rallying cry of a recent book on the aftermath of yet another mass high school shooting where rights and freedoms are concerned do politics trump all never again why human rights charters fail to fulfill their mandates explores the ongoing failures in the efficacy of human rights charters in fulfilling their mandates at the outset he plunges the reader into a deep well of analysis starting with the first flaw in these charters the human mind at the book s core is the wisdom and guidance of roger bacon concerning the pursuit of truth the book grapples with monumental questions such as what makes a being a human being and not something else harking back to the philosophies of marcus aurelius and immanuel kant complemented by modern thinkers such as yuval noah harari and robert b reich the author teases out the true meaning of the word good lang questions the authenticity in which political leaders philosophers spiritual guides big thinkers business leaders scientists and the book s primary audience educators meaningfully deal with humanity s most fundamental issues he posits the reality that what we as humans value lies on

a continuum between authentic good and inauthentic good or evil lang s solution includes proposing rational based humanism a new philosophy of education to rethink materialistic measures of success with the aim of equality of life for all

navy football holds a unique place in college athletics as one of the oldest and most prestigious programs the game has ever known during the 1950s and 1960s the midshipmen were nationally recognized by the major bowl games they played and heisman trophy winning players joe bellino and roger staubach although the program struggled mightily to maintain relevancy in subsequent years athletic director chet gladchuk kick started the renaissance of navy football by hiring coach paul johnson in 2001 the team s current coach ken niuatalolo once fired by the academy in the dining room of a mcdonald s in 1998 returned to become the winningest coach in school history author t c cameron charts the story of navy football and steers readers through the reemergence of an iconic program representing our nation s finest

this authoritative annotated document collection surveys and explains efforts to censor intimidate suppress and reform and improve news organizations and journalism in america from the newspapers of colonial times to the social media that saturates the present day this primary source collection will help readers to understand how the press has been vilified usually by powerful political or corporate interests over the course of american history with a special focus on current events and how these efforts to censor or influence news coverage often flout first amendment protections concerning freedom of the press selected documents highlight efforts to intimidate silence condemn marginalize and otherwise undercut the credibility and influence of american journalism from the colonial era through the trump presidency most of the featured documents focus on efforts borne out of self interested attempts to shape or conceal news for political or economic gain or personal fame but coverage also includes instances in which press actions attitudes or priorities deserved censure all told the collection will be a valuable resource for understanding the importance of a free press to american life and the constitutional basis for preserving such the motivations both selfish and altruistic of critics of american journalism from the earliest days of the republic to today and the impact of all of the above on american society

the opinion columns that were written by civil rights activist carl snowden are both poignant and powerful these columns address issues involving race immigration politics guns violence and history snowden s analysis of contemporary issues are based on a lifetime of community activism his analysis of politics is based on his experience as a former elected official his penetrating discussion on race issues is from the perspective of a black man that not only lived during the american segregation era but also as a person who helped his city

divest from the racist republic of south africa in the 1990s during the height of apartheid snowden s columns on personalities ranging from oprah winfrey to martin luther king jr and malcolm x are always coupled with the unique perspective of that of an activist his views on the contemporary issues of our day makes for a good read a luta continua this book is dedicated to my late loving mother mrs ora snowden my sons and my soulmate
